Your Site

Description of the activities that occur at your site:

Individual counseling, family counseling, educational classes regarding substance abuse and various topics, group counseling, urinalysis testing, and various tech duties; grief groups, trauma process and education

Description of practicum students' duties at your site:

Watch tech station, learn topics for educational classes and teach the class; participation in group counseling with therapists, participate with counselor during individual session

Type of population with which students would be working (e.g., adults, adolescents, children, physically challenged, cognitively challenged, etc.):

Adult women, some with children, family therapy

Our Students

Undergraduates

Our undergraduate students typically are juniors and seniors with 17-35 credit hours in Psychology. There are exceptions. If you have any special requirements for students who apply at your practicum site, please describe them.

Graduate Students

Our graduate students are students at the end of their first year or some time during their second year in the clinical track of our graduate psychology program. These students need direct service contact with clients, and also need weekly supervision from a licensed mental health professional. Is your site interested in working with our graduate students?

Hours, Pay, and Commitment

Days and time of days on which you need practicum students:

Is this a paid practicum? Yes _____ No _____

If yes, what is pay rate? _____

What length of commitment (e.g., semester, three months, six months), do you expect from the student?

Three to six months

Application Process

What is the preferred application process (e.g., email/mail resume/schedule an appointment)?

Mail resume, schedule an appointment

Please provide any other information that would be useful in helping our students to make more informed choices.

Thank You!
