## **Our Students**

### **Undergraduates**

Our undergraduate students typically are juniors and seniors with 17-35 credit hours in Psychology. There are exceptions. If you have any special requirements for students who apply at your practicum site, please describe them.

Interested in students planning to further education in psychology/counseling fields

### **Graduate Students**

Our graduate students are students at the end of their first year or some time during their second year in the clinical track of our graduate psychology program. These students need direct service contact with clients, and also need weekly supervision from a licensed mental health professional. Is your site interested in working with our graduate students?

Yes, many of our clients need additional counseling time

## **Hours, Pay, and Commitment**

Days and time of days on which you need practicum students:

Is this a paid practicum? Yes \_\_\_\_\_ No  X

If yes, what is pay rate? \_\_\_\_\_

What length of commitment (e.g., semester, three months, six months), do you expect from the student?

Semester

## **Application Process**

What is the preferred application process (e.g., email/mail resume/schedule an appointment)?

Call or email to schedule interview; resume is helpful

Please provide any other information that would be useful in helping our students to make more informed choices.

Our site is best suited for individuals who want to increase counseling experience as well as to learn necessary skills such as accurate diagnosis and Medicaid requirements, working with agencies to coordinate care, and cognitive-behavioral strategies.
