Your Site

Description of the activities that occur at your site: inpatient Adult Psychiatric unit---

Patient ages range from 18-54

Description of practicum students' duties at your site:

Observation only.

Type of population with which students would be working (e.g., adults, adolescents, children, physically challenged, cognitively challenged, etc.):

Our Students

Undergraduates

Our undergraduate students typically are juniors and seniors with 17-35 credit hours in Psychology. There are exceptions. If you have any special requirements for students who apply at your practicum site, please describe them.

Graduate Students

Our graduate students are students at the end of their first year or some time during their second year in the clinical track of our graduate psychology program. These students need direct service contact with clients, and also need weekly

supervision from a licensed mental health professional. Is your site interested in working with our graduate students?

Hours, Pay, and Commitment

Days and time of days on which you need practicum students:

Is this a paid practicum? Yes _____ No _____

If yes, what is pay rate? n/a _____

What length of commitment (e.g., semester, three months, six months), do you expect from the student?

Application Process

What is the preferred application process (e.g., email/mail resume/schedule an appointment)?

Please provide any other information that would be useful in helping our students to make more informed choices.

Thank You!
