## Your Site

Description of the activities that occur at your site:

We are residential treatment facility for adolescent girls. We provide therapy, housing, basic needs, structure and behavior modification.

Description of practicum students' duties at your site:

Assist with auditing and filing charts, assist director in day to day functioning of a treatment facility, work with the girls to monitor safety and treatment, provide educational topic groups.

Type of population with which students would be working (e.g., adults, adolescents, children, physically challenged, cognitively challenged, etc.):

Adolescent girls and their families

## Our Students

### Undergraduates

Our undergraduate students typically are juniors and seniors with 17-35 credit hours in Psychology. There are exceptions. If you have any special requirements for students who apply at your practicum site, please describe them.

## **Graduate Students**

Our graduate students are students at the end of their first year or some time during their second year in the clinical track of our graduate psychology program. These students need direct service contact with clients, and also need weekly supervision from a licensed mental health professional. Is your site interested in working with our graduate students?

Our site has an LCSW to supervise interns.

## **Hours, Pay, and Commitment**

Days and time of days on which you need practicum students: Open days and evenings

Is this a paid practicum? Yes \_\_\_\_\_ No  \_\_\_\_\_

If yes, what is pay rate? \_\_\_\_\_

What length of commitment (e.g., semester, three months, six months), do you expect from the student?

At least a semester

## **Application Process**

What is the preferred application process (e.g., email/mail resume/schedule an appointment)?

Email resume

Please provide any other information that would be useful in helping our students to make more informed choices.
