## **Our Students**

### **Undergraduates**

Our undergraduate students typically are juniors and seniors with 17-35 credit hours in Psychology. There are exceptions. If you have any special requirements for students who apply at your practicum site, please describe them.

### **Graduate Students**

Our graduate students are students at the end of their first year or sometime during their second year in the clinical track of our graduate psychology program. These students need direct service contact with clients, and also need weekly supervision from a licensed mental health professional. Is your site interested in working with our graduate students?

## **Hours, Pay, and Commitment**

Days and time of days on which you need practicum students: Varies and will depend on staff schedules

Is this a paid practicum? Yes \_\_\_\_\_ No  X

If yes, what is pay rate? \_\_\_\_\_

What length of commitment (e.g., semester, three months, six months), do you expect from the student?

We are flexible on the length of commitment which will depend on the student requirements and staff.

## **Application Process**

What is the preferred application process (e.g., email/mail resume/schedule an appointment)?

Schedule an appointment with Addie Blankenship, Director of the Hope Center

Please provide any other information that would be useful in helping our students to make more informed choices.

NAMI Southwest Missouri and the Hope Center is a non-profit agency. There are no licensed therapists, counselors, etc. on staff or as volunteers. All programs are peer led, including facilitators, warm line responders, and staff. All have lived experience with mental illness.

**Thank you**
