Your Site

Description of the activities that occur at your site:

Adult and child therapy, including depression, divorce, grief, substance abuse, domestic violence, stress/anxiety management etc.

Description of practicum students' duties at your site:

Students will be doing counseling under the supervision of licensed professional counselors. They will be able to learn the ends and outs of counseling while providing a much needed service to the community

Type of population with which students would be working (e.g., adults, adolescents, children, physically challenged, cognitively challenged, etc.):

All

Our Students

Undergraduates

Our undergraduate students typically are juniors and seniors with 17-35 credit hours in Psychology. There are exceptions. If you have any special requirements for students who apply at your practicum site, please describe them.

Graduate Students

Our graduate students are students at the end of their first year or some time during their second year in the clinical track of our graduate psychology program. These students need direct service contact with clients, and also need weekly supervision from a licensed mental health professional. Is your site interested in working with our graduate students?

Hours, Pay, and Commitment

Days and time of days on which you need practicum students:

Is this a paid practicum? Yes _____ No X

If yes, what is pay rate? _____

What length of commitment (e.g., semester, three months, six months), do you expect from the student?

Application Process

What is the preferred application process (e.g., email/mail resume/schedule an appointment)?

Email or call Steve @417-650-8990

Please provide any other information that would be useful in helping our students to make more informed choices.

Our counseling center is both professional and educational. Students will learn, grow and become effective counselors while working with a diverse population under direct supervision.

Thank You!
